

Gove Operations Community Notice

28 February, 2018

[View our 2017 performance summary](#)

Rio Tinto is pleased to provide a summary of Gove Operations' sustainable development contributions for last year.

Rio Tinto is committed to operating our business responsibly, with respect for the safety and health of our people, our communities and the risks and responsibilities associated with the local and global environment.

You can view the performance summary either in [PDF](#) or [watch a short video](#) we've produced via our website www.goveoperations.com

We encourage you to read this summary and look forward to another successful year ahead.

You can contact the Communities team on **1800 996 508** or govecommunities@riotinto.com. Visit www.goveoperations.com to subscribe to receive community notices by email (including notice of all planned power outages) and live SMS updates during unplanned power outages.
